Declaration on 'Conflict Minerals'

INTERFLUX® Electronics N.V. policy is not to use materials made with minerals which originate in the conflict region of the Democratic Republic of the Congo (D.R.C.) and its adjoining countries.

In close cooperation with their suppliers of raw materials INTERFLUX® Electronics N.V. is monitoring its supply chain on the origin of the acquired materials including the demand for a written statement of the supplier that materials supplied to INTERFLUX® Electronics N.V. do not originate from the conflict region of the D.R.C. and its adjoining countries. Materials subject to this policy are:

- Tin (Sn)

INTERFLUX® Electronics N.V. declares that to their knowledge, no materials used in the products manufactured, originate from the Democratic Republic of the Congo or its adjoining countries.

Any further inquiries regarding this matter may be addressed to reach@interflux.com

Yours sincerely,

Annick Peeters
